I have documented proof with your name attached that you not only understood what was happening but consented to it. Wanna see screenshots? They've got your name and enthusiastic consent attached everywhere. 😊 @ me next time. I have a legal right to everything as given by the state of Pennsylvania. 😊

Oh also. You tried to show up drunk on multiple occasions to go work with people's children and thought it was no big deal. I have those screenshots too of you admitting to management that you "over
